

OLUWATOBILOBA SAMUEL OLANIYAN

Junior Full Stack Web Developer | Frontend Developer | Data & IT Tutor

Lagos, Nigeria | Remote-ready | +234 707 994 5350 | olaniyanoluwatobi01@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Motivated junior web developer and IT tutor with hands-on experience teaching frontend web development, data analysis, and digital skills. Strong foundation in responsive web development, problem solving, technical communication, and learner support. Background in Biochemistry strengthens analytical thinking, research discipline, documentation, and attention to detail. Seeking remote junior frontend developer, technical support, or digital operations roles where I can build useful products, support teams, and keep growing quickly.

CORE TECHNICAL SKILLS

- Web Development: HTML, CSS, JavaScript, responsive layouts, web page structure, UI implementation, frontend debugging
- Full Stack Foundations: client-server concepts, APIs, forms, basic backend logic, database concepts, deployment awareness
- Data & Productivity: basic data analysis, Microsoft Excel, Microsoft Word, PowerPoint, documentation, reporting
- Digital Tools: Git/GitHub workflow awareness, Google Workspace, Microsoft Office, Canva, video and graphics editing
- Professional Strengths: remote communication, fast learning, time management, teamwork, tutoring, organization

PROJECTS & PRACTICAL EXPERIENCE

Personal Portfolio Website

- Built a responsive portfolio website using HTML, CSS, and JavaScript.
- Showcases my skills, projects, contact details, and remote work readiness.

- GitHub: [\[Portfolio\]](#)

Responsive Business Website

- Designed and developed a mobile-friendly Sales Tracker website.
- Used clean layout, readable content, and responsive styling.
- Live: [\[Sales Tracker\]](#)
- GitHub: [\[Sales Tracker\]](#)

WORK EXPERIENCE

Manager / Tutor - Data Analysis & Frontend Development

Solarex IT World | Nigeria | May 2025 - Present

- Train and mentor students in frontend web development, data analysis, and practical digital skills.
- Explain HTML, CSS, web page structure, spreadsheet/data concepts, and beginner technical workflows in simple terms.
- Support daily operations, learner coordination, class planning, and business growth activities.
- Create a clear learning environment by simplifying complex topics, tracking learner progress, and answering technical questions.
- Demonstrate leadership, communication, documentation, organization, and problem-solving skills in a client-facing training role.

Laboratory Assistant

Shield Medical Centre | Ile-Ife, Nigeria | Sept 2023 - Nov 2023

- Assisted with laboratory testing, sample handling, and analysis while following safety and quality-control procedures.
- Maintained accurate records and supported healthcare professionals with timely information.
- Built strong habits in precision, confidentiality, process compliance, and structured documentation.
